INTRODUCTION

The California Department of Alcohol and Drug Programs is proud to present the *Technical Assistance and Training Resource Directory*, created to assist California agencies, organizations, community groups and individuals in identifying and utilizing technical assistance services (TA) and other information sources to complement existing services. On the following pages, you will find resources to help reduce and prevent problems associated with alcohol, tobacco, and other drugs (ATOD).

This directory is divided into two sections:

The first section contains a list of contractors funded by the California Department of Alcohol and Drug Programs (ADP) to provide ATOD technical assistance and training. The contract services are provided on a statewide basis with the cost paid by ADP. The services are listed by subject area, noting that some contractors have multiple areas of expertise and may be able to provide TA services in various subject areas. Please contact the organizations directly for specific information and requirements.

The second section, *Other Information Sources*, lists only Federal and State funded organizations that provide specific ATOD-related information, TA, and/or training. These organizations are not funded by ADP and may or may not charge a fee for their services. However, the Resource Center is funded by ADP and does not charge for its services. You may contact the organizations directly for more information.

Every attempt has been made to make this directory as comprehensive, accurate, and current as possible. However, if you find an error, have a correction or addition, please complete the Directory Listing Change Form and mail or fax it to ADP at the address or fax number found on the form. Inclusion of a program in this directory does not imply an endorsement by the California Department of Alcohol and Drug Programs.

E-mail: mcrucker@ontrackconsulting.org
pjthomas@ontrackconsulting.org

Web: www.ontrackconsulting.org

Description of Technical Assistance/Training Services or Materials

ONTRACK Program Resources provides TA and training for organizations serving African Americans throughout California. Technical assistance services include individual consulting, group or staff training, product development and research. ONTRACK provides customized technical support to meet the special needs of organizations seeking to improve or target alcohol and other drugs (AOD) services for African Americans. Typical areas of service focus include: program development, organizational management, strategic planning, resource development, cultural competency, marketing, and recruiting. The African American TA project serves AOD prevention, treatment and recovery organizations.

Populations or Groups Served

Community-based organizations, local and county government agencies and programs, churches and neighborhood groups.

Eligibility Criteria

Organizations providing alcohol and other drug services in prevention, treatment or recovery targeted to African Americans.

Application Procedure

Call, e-mail, or go to www.ontrackconsulting.org for TA application.

Time Limit on Availability of Services

Contract with ADP expires on June 30, 2010.

AGING

American Society on Aging (ASA)

833 Market Street, Suite 511
San Francisco, CA 94103-1824

Contact: Carole Anderson, Ed. D.
Vice President

Phone: (415) 974-9632
FAX: (415) 974-0300
E-mail: iprall@asaging.org
Web: www.asaging.org/AOD

Description of Technical Assistance/Training Services or Materials

The project focuses on training on issues of alcohol and other substance abuse in the aging population. This includes prescription and over-the-counter drug abuse/misuse. ASA carries out a wide range of activities, such as formal training sessions and conferences, coalition building, and telephone and on-site TA. ASA utilizes a pool of consultants representing both nationally known experts and California-based professionals with expertise in diagnosis, treatment, program development, public and family education, rural populations, family dynamics, and related topics. ASA maintains a project website, www.asaging.org/aod <<http://www.asaging.org/aod>>, that can be used to access training opportunities, resource information and ask the expert inquiries on issues of substance abuse and older adults.

Populations or Groups Served

The aging population (60 and over).

Eligibility Criteria

Non-profit and governmental agencies providing services to the aging population and those addressing AOD problems in older adults are eligible for training and TA. Activities which clearly address the project objective of overcoming barriers which prevent older adults from utilizing and benefiting from AOD programs are given highest priority.

Application Procedure

Call, write or fax to request application or access the application through the website, www.asaging.org/aod <<http://www.asaging.org/aod>>

Time Limit on Availability of Services

Contract with ADP expires January 31, 2011.

Phone: (916) 338-9460
 TTY: (916) 473-0836
 FAX: (916) 338-9468
 E-mail: bob@caarr.org
 Web: www.caarr.org

Description of Technical Assistance/Training Services or Materials

CAARR's specific purpose and goal for technical assistance and training under the Disability Access Project is to increase opportunities to, as well as the abilities of, people with physical, sensory, and cognitive disabilities to address their alcohol and other drug related problems by:

- Reducing attitudinal, architectural, programmatic, communication and fiscal barriers to accessing appropriate treatment and recovery services for people with disabilities;
- Enhancing the cultural and linguistic appropriateness of alcohol and other drug (AOD) treatment and recovery program services for people with disabilities;
- Improve the quality, quantity, and outcomes of these services;
- Providing training and/ or technical assistance to the state and local AOD agencies statewide and disability agencies statewide.

Technical assistance services include program and policy development, Disability awareness and sensitivity training, Introduction to AOD for disability agencies, Clinical approach/ treatment protocol development, architectural surveys, Resource development, Community forums and telephone consultation when appropriate. The Disability Access TA project serves AOD prevention, treatment and recovery service providers, organizations, as well as allied disability service providers.

Populations or Groups Served

State, local and county government, community based, licensed and certified (private and non-profit) prevention treatment and recovery service providers as well as those entities that address AOD issues of persons with disabilities (i.e. Independent Living Centers – ILC's, etc.)

Eligibility Criteria

Organization providing alcohol and other drug services in prevention, treatment or recovery services that include services to people with physical, sensory or cognitive disabilities.

Application Procedure

Call, fax or e-mail for TA application. Applications are also available at <http://www.caarr.org/>.

Description of Technical
Assistance/Training Services
or Materials

The California Friday Night Live Partnership (CFNLP), under contract with the State Department of Alcohol and Drug Programs (ADP), and in collaboration with the California Friday Night Live Collaborative (CFNLC), and Youth Leadership Institute (YLI) and Teenwork (TW) provides technical assistance and training for the Statewide Friday Night Live System which includes counties implementing Friday Night Live (FNL), Club Live (CL), FNL Kids and FNL Mentoring.

Training and technical assistance is offered to enhance program knowledge and skills of local Friday Night Live/Club Live/FNL Kids/FNL Mentoring program coordinators, staff, advisors and county systems. Ongoing training of coordinators, staff and advisors is a critical step in the success of Friday Night Live. The California Friday Night Live Partnership in collaboration with CFNLC, YLI and Teenwork is committed to strengthening the support and program offerings provided to young people across California.

Populations or
Groups Served

Local FNL, CL, FNL Kids, FNL Mentoring program coordinators and county systems.

Eligibility Criteria

Counties implementing FNL, CL, FNL Kids, and FNL Mentoring in California.

Application Procedure

Contact TCOE to request an application.

Phone: (707) 568-3800

FAX: (707) 568-3810

E-mail: kerrilyn@emt.org

Web: www.ca-sdfsc.org

Description of Technical Assistance/Training Services or Materials

CPI services are intended to expand knowledge of effective and culturally relevant prevention services and approaches for all entities currently engaged with ATOD prevention efforts. The CPI functions as an ATOD community prevention technology transfer system development center serving ATOD prevention organizations and practitioners throughout California. Its primary role is to synthesize and translate state-of-the-art ATOD community prevention research-based findings into effective, culturally competent training and technical assistance services that meet the needs of the ATOD prevention services field.

Populations or Groups Served

ATOD prevention programs/providers, local and administrative state agencies currently engaged in ATOD community prevention, or those groups/organizations that want to become involved in ATOD community prevention.

Eligibility Criteria

TA/training requests must be related to ATOD community prevention issues or requesting group's mission must focus on preventing or reducing ATOD problems within the community.

Application Procedure

Call, write, or e-mail to request for a technical assistance application.

Time Limit on Availability of Services

Contract with ADP expires on September 30, 2010.

FAX: (707) 568-3810

E-mail: kerrilyn@emt.org

Web: www.ca-sdfsc.org

Description of Technical Assistance/Training Services or Materials

The Safe and Drug Free Schools and Communities (SDFSC) technical assistance (TA) project aims at reducing alcohol, tobacco and other drug use, and violence problems among California's youth through education and prevention. Cost-free technical assistance and training are available to the forty-three SDFSC grantees. The purpose of the TA is to facilitate compliance with federal and state guidelines, such as the Principles of Effectiveness, with the final goal of providing more effective ATOD and violence prevention services. Grantees benefit from services through knowledge and skill development, and programmatic application. Training topics include: logic models, model programs, science-based curricula, environmental prevention, strategic planning, organizational program evaluation, development of culturally competent prevention programs, as well as customized TA and training based on specific needs.

Populations or Groups Served

Counties that have been awarded SDFSC grants have access to this technical assistance and training. The populations to be served by these grants are at-risk youth and underserved youth and their environments.

Eligibility Criteria

Counties that have been awarded SDFSC grants are eligible.

Application Procedure

For applications or more information contact CARS.

Time Limit on Availability of Services

Contract with ADP expires on September 30, 2009.
